SAFETY WEAR

ABOUT US

We are a leading manufacturer of PPE Safety Wear and Equipment. Legendhauraj founded his manufacturing plant over 25 years ago and has partnered and built strong relationships with some of the most trusted brands. Being an expert in the industry, we are able to supply a full head to toe safety wear and equipment. Over the past 25 years we have evolved into an organization which serves many industries including mining, agriculture, maritime, corporate, medical and construction.

We strive to offer excellent customer service, priding ourselves on offering innovation solutions to our clients.
